You have indicated that the Uniform Borrower Assistance Form is outdated and that you sent the Debtor a blank hardship application to complete on 4/6/2018. I am not clear as to whether the form you are referring to is the Fannie Mae/Freddie Mac Form 710 or a different form. Please provide me with a copy, via the Portal, of what you have sent to our Client. In accordance with Local Bankruptcy Court Rules, all material communications must be done through the Portal.

In the meantime, we will obtain the information/updated forms you have requested. Thank you.

Hello,

The hardship application, hardship letter, and the 4506-t form is dated back in January. We need updated documents. Please see attached. The hardship letter just needs the date updated if the hardship hasn't changed. The pay stubs don't show year-to-date earnings, and the March bank statement is needed. The bank statements requirement is- the most recent two months of bank statements (Since we are in the month of April, we need February and March). Bank statements must show the bank's name and address, account holder's name and address, account number, and transaction history. Please include all pages, even if blank.

The last paystubs we provided to you did include stubs for YTD through January and YTD following the March 15, 2018 paystub. I had put stars next to them. I will have my client check with her employer to see if anything can be provided that shows a YTD on each paystub. We have already requested the March bank statement from our client. Once we receive the updated documents from our Client, I will forward them to promptly.
